**SINGLES.** Seventeen weeks after they first reached the summit, **Macklemore & Ryan Lewis** pick up their third Australian No.1 single with, **Can't Hold Us**. Only two acts in the past fifty years have reached the chart peak for a third time faster - **The Beatles'** first three in 1964 took fifteen weeks (**I Want To Hold Your Hand**, **I Saw Her Standing There** and **Roll Over Beethoven / Hold Me Tight**), while **Abba** took just fourteen weeks in 1975/76 (**I Do, I Do, I Do, I Do, I Do, Mama Mia** and **SOS**). While **The Beatles** and **Abba** have it over **Macklemore & Ryan Lewis** in that they held the top of the chart exclusively through that time, **Macklemore & Ryan Lewis** (who have been on top for twelve of seventeen weeks), can claim the feat with their first three chart singles. Elsewhere, **Passenger's** quick move up the chart continues with **Let Her Go**, up twenty-one spots to No.2. There are also new peaks for **MKTO's Thank You** (No.4), **Calvin Harris' I Need Your Love** (No.10), **Justin Timberlake's Mirrors** (No.12) and **Little Mix's Change Your Life** (No.16), amongst others.

**No.31 SWEET SPOT – Flo Rida Feat. Jennifer Lopez.** **Sweet Spot** is the ninth track to chart from **Flo Rida's** album **Wild Ones** (No.5 July '12). Tracks from the album to previously chart are **Good Feeling** (No.4 Nov. '11), **Wild Ones** (No.1 Jan. '12), **Whistle** (No.1 May '12), **Run** (No.44 July '12), **In My Mind (Part 2)** (No.44 July '12), **I Cry** (No.3 Sep. '12), **Let It Roll, Pt. 2** (No.77 Dec. '12) and **Let It Roll** (No.7 Jan. '13).

**No.58 KEEP ON RUNNING – Andy Bull.** Sydney singer-songwriter **Andy Bull**, makes his ARIA chart debut with the track **Keep On Running**. The song is **Bull's** first new release since 2010's **Phantom Pains EP**. He released his debut album **We're Too Young** in 2009. It has not been announced if **Keep On Running** will appear on **Bull's** second studio album or if this is a standalone release.

**No.66 BREAKDOWN – Tonight Alive Feat. Benji Madden.** Sydney pop-punk quintet **Tonight Alive** grabs their first entry on the ARIA singles chart with, **Breakdown**. The standalone single, which features **Good Charlotte's Benji Madden**, has been released as a stop-gap between their last studio album - **What Are You So Scared Of?** (No.15 Oct. '11) - and their next album. The band are about to embark on a national tour before heading to the US to be a part of the **Warped Tour**.

**No.69 STILL INTO YOU - Paramore.** With their eponymous fourth album set for release in a couple of weeks, **Paramore** return to the singles chart with a new single, **Still Into You**. It is the second track to chart from the album, following on from **Now** (No.86 Feb. '13). **Paramore's** highest-charting single to date has been **Decode** (No.12 Jan. '09).

**No.83 TONIGHT I'M GETTING OVER YOU – Carly Rae Jepsen.** Just under a year on from making her first appearance on the chart with **Call Me Maybe** (No.1 Apr. '12), **Carly Rae Jepsen** picks up a new entry with **Tonight I'm Getting Over You**. It is **Jepsen's** third charting single. She last charted with **Beautiful** (No.48 Sep. '12). All three tracks and **Jepsen's** collaboration with **Owl City, Good Time** (No.5 Aug. '12), come from the album **Kiss** (No.8 Sep. '12).

**No.85 RADIOACTIVE – Imagine Dragons.** Las Vegas band **Imagine Dragons** pick up their second chart entry with the track, **Radioactive**. The track appears on the band's **Continued Silence EP**, which has debuted at No.100 on the ARIA albums chart this week, as well as their debut album **Night Visions** (No.28 Mar. '13). The band's first chart appearance came with the single **It's Time** (No.27 Mar. '13).

**No.86 THE LOVE CLUB EP – Lorde.** New Zealand singer-songwriter **Lorde** makes her debut on the ARIA singles chart with, **The Love Club EP**. **Lorde** is the pseudonym of sixteen year old **Ella Yelich-O'Connor**. Material from the five-track release has been attracting blogosphere buzz.

**No.92 LOVE ME – Lil Wayne Feat. Drake & Future.** A year on from peaking at No.26 with **Mirror**, **Lil Wayne** hits the chart with **Love Me**. It is the first single to chart from **Lil Wayne's** forthcoming tenth album, **I Am Not A Human Being II**. **Lil Wayne** was recently reported to be on his deathbed after a series of seizures. However, after being released from hospital, he stated he was "more than good".

**ALBUMS.** For the sixth week in a row we have a new album debuting at No.1. It is also the ninth week in a row that there has been a different album at the summit. This time, **Justin Timberlake** takes out the top spot with his third studio album **The 20/20 Experience**. **Passenger's** big move back up the chart continues - **All The Little Lights** now has a new peak of No.9. On the back of his national tour, **Bruce Springsteen** has three titles in the top 50 this week - **Collection: 1973-2012** is up seven spots to No.8, **Wrecking Ball** is up from No.53 to No.16 and **Born In The U.S.A.** has re-entered at No.41. Also touring is **Rodriguez** who has three albums in the top 100, with all of them heading north of the chart - **Searching For Sugar Man** is up twenty-five spots to No.24 (a new peak), **Cold Fact** is up eight to No.30 and **Coming From Reality** is up twelve to No.77.

**No.1 THE 20/20 EXPERIENCE – Justin Timberlake.** Having announced his return to music with the single **Suit & Tie** (No.9 Jan. '13), **Justin Timberlake** has capped off his comeback with his first album in six and a half years, **The 20/20 Experience**. **Timberlake's** third studio album is the long-awaited follow-up to his previous top seller, **Future Sex/Love Sounds** (No.1 Sep. '06) and it is his second to top the ARIA chart. The album's second single, **Mirrors** has reached a new peak on the ARIA singles chart this week, hitting No.12. This album is the first of two **Timberlake** plans to release this year. The second is tentatively scheduled for release in November.

**No.33 SING TO THE MOON – Laura Mvula.** British soul singer **Laura Mvula** makes her ARIA chart appearance with **Sing To The Moon**. Prior to establishing herself as a solo artist, **Mvula** sang in a number of a capella groups and choirs. She was working as a receptionist before getting signed. **Mvula's** debut album entered the UK chart at No.9.

**No.34 FAMILIAR STRANGER – Bob Evans.** Four years on from the release of **Goodnight, Bull Creek!** (No.22 Apr. '09), **Jebediah** front man **Revin Mitchell** has taken on his **Bob Evans** moniker again to release **Familiar Stranger**. It is the fourth studio album from **Bob Evans** and the third to chart. **Evans** achieved his highest chart peak with **Suburban Songbook** (No.15 June '06). In between **Bob Evans** albums, **Mitchell** and his **Jebediah** cohorts regrouped to release the album **Kosciuszko** (No.6 Apr. '11).

**No.50 IF YOU LEAVE – Daughter.** London trio **Daughter**, make their first appearance in the ARIA charts thanks to their debut album **If You Leave**. Forming in 2010, the band - **Elena Tonra** (vocals, guitar), **Igor Haefeli** (guitar, producer) and **Remi Aguilera** (drums) - released three independent EPs prior to signing a record contract.

**No.100 CONTINUED SILENCE EP – Imagine Dragons.** Just sneaking into the top 100 is a six-track EP from Las Vegas quartet, **Imagine Dragons**. The **Continued Silence EP** was released by the group in February 2012 prior to the release of their debut album **Night Visions** (No.28 Mar. '13). It includes the single **Radioactive**, which is new on the ARIA singles chart this week at No.85.
